S-Sr BR 410 fragment 22472, S.15. Avtaget omslag till Smålands handlingar 1583:18:2.

S-Sr Br 410 fragment 22474, S.15. Smålands handlingar 1585:21:1. Räkenskap.

(Of the WE, only first clef and notated differentia (aFGaGF?) remain, which indicates a chant in the same mode as Anne's WE.)

A manuscript in Kraków, PL-Kkar 1 (Rkp 12) [see <http://publish.uwo.ca/~cantus/>] contains a considerably divergent version of the VE. It also contains a version (revised) of the WE.
